APPLY NOW!

Are you a recently qualified designer-maker keen to exhibit & sell your work at Living Crafts, a leading UK craft event?

Living Crafts is offering you the opportunity to showcase your designs free of charge in the Emerging Designer-Makers Pavilion at this year's event. Supported by Craft&Design Online, you will be able to launch and market your work at the show which is taking place from Thursday 10th - Sunday 13th May at Hatfield House, Hertfordshire.

Event organiser Robin Younger enthuses *"Since we launched this feature in 2012, we have supported over 50 emerging designer-makers with outstanding contemporary designs and I am extremely pleased to see their flourishing careers. I would also like to thank Angie and Paul Boyer from Craft&Design Online for their continued support with this initiative. It has made a huge difference to the professional development of so many recently qualified designer-makers."*

This is a very popular pavilion for the thousands of visitors to the show who enjoy meeting and buying from our Emerging Designer-Makers. We welcomed 10 designers in 2017, selected for their outstanding individual designs, who exhibited their work and demonstrated their skills. Their crafts included bookbinding, jewellery, furniture making and glass. As textile designer Sarah Moroney says, *"I would definitely recommend it to other emerging designers!"*

Closing date for Living Crafts 2018 applications is 9 March
