

# WELCOME

Living Crafts

We are very pleased to welcome you to this year's eagerly anticipated Living Crafts event. Our designer-makers have been extra busy during lockdown making beautifully designed crafts to exhibit and your support for these independent makers and their small businesses is very much appreciated. We hope you have a memorable creative experience, whether you will be enjoying shopping, trying a workshop or simply relaxing and watching the craft demonstrations. If you have any queries, please visit the organisers in the Showcase Pavilion. Please sanitise your hands frequently, wear face coverings in the pavilions, and keep a safe distance - but most importantly of all, enjoy your visit!

To share the highlights of your day on social media, please use the hashtags #LivingCraftsUK and #thinkcraft. You can follow us on Twitter (@LivingCraftsUK) and on Instagram (@livingcraftsuk).
