Living Crafts

CELEBRATING

50

YEARS
OF CREATIVITY
1974 - 2024

COMPLIMENTARY SHOW GUIDE

www.livingcrafts.co.uk

WELCOME

A special welcome to the 50th Anniversary of Living Crafts. We hope you have a wonderful day of discovery, shopping, creating and experiencing all things crafty. 2024 marks such a marvellous milestone for us as we celebrate five decades of promoting British crafting excellence at Hatfield Park. We have a packed programme of workshops so create your own masterpiece and try a new craft in the Workshop Pavilion (Birch) or around the showground. Life drawing, spoon carving, pyrography and Pottery Throwdown are new for 2024. For more workshop information, timings and availability please visit the workshop or ask at the Showcase Pavilion. Living Crafts Stewards are here to help with any queries. We've brought together a selection of independent street food vendors, so you can taste your way around a range of courses and flavours during your day and if you fancy a delicious tippie, there'll be plenty of refreshing drinks too. Enjoy your day at Living Crafts!

The Living Crafts Team

General Information

The event takes place in parkland and the ground may be uneven in places and occasionally branches fall from trees. Watch out for traffic on the roads around the event and stay at a safe distance from the demonstration areas. The entire showground is a no smoking area.

Event Information

If you are looking for a particular exhibitor, want to know where a workshop is running or have a general query about the show, please ask a steward or see the Organisers in the Showcase Pavilion.

Dogs

Dogs are welcome in the showground providing they are kept on a lead at all times. Dogs are not permitted within the matted Pavilions, Ash, Elm, Yew and Lime Pavilion (the food hall) or the main refreshments tent, except for assistance dogs.

West Garden of Hatfield House

Don't forget that the beautiful West Garden of Hatfield House is open until 5:30pm with guided tours on the hour. Entry is included with your Living Crafts ticket. Why not get there on the free shuttle bus which runs from the show entrance to the West Garden and back until 5:00pm.

50 WORKSHOPS FOR 50 YEARS!

Try a new craft in one of our enthralling workshops led by friendly expert teachers. There are more workshops than ever this year, both for adults and children, from simple fun activities to tasks that will challenge your practical ability. Whilst many could be pre-booked, you can sign up for any of them on the day (subject to space). All materials and equipment are provided, just bring your creativity and have a go! There are also many talks and demonstrations taking place. The spectacular glassblowing demonstrations (44) will take place every hour, the specialist Craft Demonstration Pavilion (Fir) will feature highly skilled makers showcasing their crafts. The Art in Herts Pavilion brings the local crafting community together and is a chance to find an activity in your area and get involved.
